

To be the best in the industry...

You have to hire the best in the industry...

Omron Canada Inc. is pleased to announce the appointment of Adam Detillieux to the position of Territory Account Manager, Manitoba / Saskatchewan. Adam resides in Saskatoon, Saskatchewan

Reporting directly to Josh Yates, Regional Sales Manager, Western Canada, Adam will be responsible for managing his territory to grow Omron sales.

Adam has a bachelor's degree in Electrical Engineering from the University of Saskatchewan. He volunteers with the IEEE running technical and professional development events in Saskatoon. Adam held a number of positions at Littelfuse Startco, most recently as a Sales Engineer.

For fun, Adam likes to play piano and guitar, enjoys cycling and hockey, making homemade beer and curries, and couple dancing with his girlfriend Chelsea.

Please join me in welcoming Adam to the Omron Team. You can contact him at adam.detillieux@omron.com or (306) 713-0194
